## WORSHIP SPOTLIGHT

### Why do we have an Offering? And what is a "tithe"?

From the very beginning, God's people brought offerings to Him (Gen. 4:3-4; 14:21; 28:22). In doing so, they were confessing that all they had ultimately came from God and actually belonged to Him. Offering a portion was a way of showing gratitude. It was also a way of paying tribute, of giving honor to God as the Sovereign Lord of All.

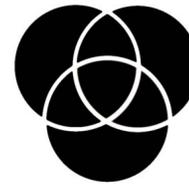

As we see in the stories of Abraham and Jacob, it was common to give God a tenth (or "tithe") of one's income. This principle was later codified in the Law given to Moses. God told the people of Israel to give a tenth to provide for the livelihood of His priests, to maintain the work of the Tabernacle/Temple, and to provide for the poor (Deut. 14:28-29).

For the Israelites the offerings were usually animals, crops, or prepared food. They were elements of God's creation which the people had cultivated by long hours of labor and care. As the fruit of human labor they symbolized the life of the people. Thus, in offering the work of their hands, the people were offering their very lives to God that He might use them to accomplish His purposes.

These principles were carried over into the New Covenant. The Early Church was known for sacrificial generosity (Acts 4:32-37). Recognizing that God had offered His own Son for them, they gladly gave all they had to Him.

For these reasons the offering is a significant part of our worship service. It is not simply a way for the church to keep the lights on. Nor is it payment for spiritual services rendered or dues for a holy club.

When we drop our tithes into the plate, we must remember that we are offering our very selves to God. He accepts our tribute, not because of anything within us, but because we are united to His Beloved Son, Jesus Christ. In Christ our lives and our work have been made pleasing to God and useful for the advancement of His Kingdom in our community and throughout the world.
