#### WORSHIP SPOTLIGHT

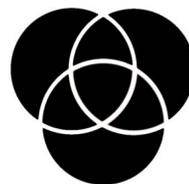

##### What is the Ascension?

In the order of Israel's worship the first sacrifice was the *purification offering* (which corresponds to our time of confession). The next sacrifice was the *whole burnt offering*, though a more literal translation would be *the ascension*. The unique thing about the ascension offering was that it was the only offering completely consumed by the fire. The sacrifice was transformed into smoke which then *ascended* to God. Since the animal takes the place of the worshipper, this portrayed the worshipper ascending to God and entering His holy presence.

We follow the same sequence in Christian worship, though now the ascension offering has been fulfilled in Christ. Having paid the penalty for our sins on the cross, Jesus rose from the grave and *ascended* into heaven. United to Him by faith, we ascend with Jesus! God has "raised *us* up with him and seated *us* with him in the heavenly places *in Christ Jesus*" (Eph. 2:6).

In the book of Revelation the Apostle John was granted a vision in which he ascended to Heaven and joined the worship service going on there. We don't see the Heavenly service with our *eyes* each Sunday. But we trust that, in Christ and through the power of his Spirit, we *do* get to join the angels and all the faithful in Heaven as we worship the Lamb. That's why, at this point in the service, we often sing songs that speak of Heaven and borrow the "holy, holy, holy" refrain of the angelic songs from the books of Isaiah (6:1-3) and Revelation (4:8-11).

What a privilege to join the Heavenly worship service and enter into the Father's presence! What a comfort to know that we sing with all Christians around the world and with those who have already died and are now with Jesus! The ascension is a time of great rejoicing and reverent awe. Now that we have entered the Father's presence, he will speak to us from his Word.
